

## Handle the call from anywhere in the office.

The V150 frees you from your desk, so you can check with a co-worker or grab a file while you're on a call. Add the VEHS Electronic Hook Switch and you can answer and end calls, no matter where you are.

### Benefits

- Enjoy 300 feet of great-sounding wireless freedom.
- Talk all day on a single charge (up to 10 hours).
- Be heard clearly with the industry's best noise canceling—guaranteed.
- Control volume and answer, end, or mute calls right from the headset.
- Choose your wearing style: headband, earhook or neckband.
- Answer and end calls remotely (with optional Electronic Hook Switch).

The V150 lets you walk while you talk, wherever your work takes you.

**One-touch headset controls**  
(volume, mute, answer/end)

**Advanced noise-canceling microphone** blocks background noise.

**Optional Electronic Hook Switch** installs discreetly under the base unit.

On-the-ear

Behind-the-neck

Over-the-head

## Product Highlights

- 1.9 GHz DECT 6.0 gives you 300+ feet of interference-free freedom.
- Advanced noise canceling practically eliminates background noise.
- A choice of wearing styles: over-the-head, over-the-ear and behind-the-neck.
- Up to 10 hours of talk time and 120 hours of standby per charge.
- One-touch controls for volume, mute and remote call answer/end.
- 64-bit encryption keeps conversations private.
- Optional Electronic Hook Switch cable or lifter for remote pickup/hang-up.
- 1-year warranty.
